MEETING INDICATES SUPPORT FOR COUNTY SHOOTING BAN

A large crowd of district and town residents gathered in the Rocky Rapids Hall last Thursday evening at a meeting called by County Councillor Ivan Vowk to discuss the County of Parkland's proposed firearms bylaw.

Mr. Vowk explained what had transpired to date in the proposed shooting legislation and indicated the meeting was called to determine the feelings of ratepayers in the matter.

Feelings were clearly indicated by the tone of discussion with rural residents appearing solidly in favor of restriction of some sort. Town residents, many of them Fish and Game members, were equally strong in their opposition to a blanket shooting ban.

A vote by county residents was called at one point, but not carried out and the only yardstick for determining feeling was by expressions from the floor. It was eventually decided that all those in favor of the proposed legislation should write to the county office and make their support known

This, incidentally, is the course suggested earlier by the County Council which delayed implementation of the bylaw until January 15th in order to obtain comments from both sides and possible workable alternatives from interested persons or organizations.

Mr. Vowk also noted that the earlier proposal for a blanket of the entire county, had softened somewhat and the feeling now is that restrictions would be imposed only in specific zones, principally based on the requests of residents.

In the latter half of the meeting M.L.A. Rusty Zander addressed the group and outlined action now underway in the western part of Leduc County to endeavor to have a new county created, generally following the boundaries of the Provincial Electoral District of Drayton Valley.

Petitions are being circulated in districts across the river from Drayton Valley in hopes of obtaining a ninety percent expression in favor of a new county to present to the Minister of Municipal Affairs.

The Rocky Rapids meeting went on to discuss the possibility of creating a new county, with the tone again appearing to indicate considerable support. Petitions worded the same way as those in Leduc County, will be circulated in Parkland, also with a goal of 90 percent of ratepayers' signatures.

The meeting decided on an early start in order to have the petitions ready to present before the Legislative Session in March.

The gathering was also informed of another meeting on the topic scheduled for the Breton Hall at 8:00 p.m. on Monday, December 13th.

The photos above show a few of the people who visited booths in the Flea Market in the Legion Hall last Saturday. A large number of people attended the market that featured a wide variety of goods.

SILVER GLOVES HERE NEXT MONTH

The Pembina Boxing Club and the parent body of the Drayton Valley Athletic Association will host the Alberta Silver Gloves Tournament early in the new year The event will be held in the Junior High School gymnasium on Saturday, January 22, and on Sunday, January 23, 1972.

This is the top Junior boxing tournament in the province bringing together the finest junior boxers in Alberta. A junior boxer is one who has not reached his sixteenth birthday regardless of his weight or ring experience. From early indications the calibre of competition that can be expected in this tournament will be exceptionally high. Ray Duperron will be one of the outstanding Drayton Valley boys taking part in the event. This will be the first major boxing tournament held in Drayton Valley since 1961 Dominion Championships.

One week previous to the Silver Gloves the local Club will present a twelve bout boxing card at the Junior High School on Saturday, January 15th, 1972. Bert Duperron and Walter Mastre will likely be headlining this card facing top flight opponents from Calgary or Edmonton. Boxing fans keep these two dates in mind: January 15th, the first amateur boxing card of the season and the following week we will have the Silver Gloves Tournament.

New Chalet Opens Sunday

Official opening of the recently completed chalet at the Drayton Valley Ski Hill will take place 2:00 p.m. on Sunday, December 12th.

A feature of the afternoon will be the great downhill race to the ribbon between Mayor Lloyd Maclean and County Councillor Ivan Vowk. First to reach the ribbon will perform the opening ceremony.

Club members and executive are looking to the weatherman for a good fall of snow to help with the opening that will also include a sale and trade of used ski equipment.

Coffee and doughnuts will be served and everyone is invited to attend.

Christmas Messages Welcome

Christmas is sneaking up on most of us faster than we suspect. Decorations began to appear around town last week and with more seasonable weather indicated by the drop in temperature early this week, we can expect a big increase in Christmas enthusiasm.

The Western Review is making plans now for a Christmas supplement to be included with the regular issue of December 21st. Reeves, Mayors, Clergymen or other community leaders who may be interested in submitting Christmas messages are asked to have them in our hands by the end of this week, if possible. It would be appreciated if messages could be kept within the 200 - 300 word limit.

SUMMARY REGULAR COUNCIL MEETING

At a regular meeting of Town Council on Thursday, November 25th, the town nusance grounds and general garbage control system was discussed with the waste disposal contractor, Mr. Jay Hazzard.

Council pointed out that the discussion arose not because it was dissatisfied with present service, but with a view to exploring the possibility of finding more efficient ways to cope with the situation.

Pros and cons of obtaining more sophisticated equipment for collecting and transporting garbage were dicussed but it was generally felt that the present population of the town did not warrant the more elaborate system.

Unsatisfactory conditions, do however, exist at the nuisance grounds, caused primarily by people taking garbage to the dump and depositing it indiscriminately rather than using the pits. Mr. Hazzard noted that he often has trouble backing his truck to the edge of an empty pit because of mounds of refuse piled on its edges.

Consensus indicated a need for better control of the nuisance grounds as well as education of the public in the manner of placing garbage for collection.

A committee of Councillors Waugh and Smith will meet again with Mr. Hazzard to further study the matter.

COUNCIL BRIEFS

Council approved a recommendation of the Development Committee to print 6,000 colored postcards with an air view of the town. The cards would be distributed to local retail outlets to recover costs to the town.

****

Council approved appointment of the Development Committee for the ensuing year consisting of: Chairman, W. R. Mayhew, D. G. McKenzie, R. Burrows, H. P. Janzen, D. Vanstone, Development Officer J. N. Arabsky; Building Inspector, F. E. Harrison and Secretary-Treasurer, W. G. Johanneson.

M.P. to Face Newsmen

Allen Sulatycky, Member of Parliament for Rocky Mountain and Parliamentary Secretary to the Minister of Energy, Mines and Resources will be the guest on the television programme "Face the Newsmen" on CFRN-TV, Sunday, December 12, 1971 at 2:30 p.m.

Mr. Sulatycky will face a panel of Edmonton newsmen led by Bruce Hogle, CFRN News Director.

Included among the topics to be discussed will be the recent decision of the National Energy Board refusing licences to export more Canadian natural gas to the United States.

Other matters of current interest will also be dealt with.

Mr. Sulatycky has said that he is anxious to receive comments from his constituents regarding matters raised during the programme.

New County Subject for Breton Meeting

A meeting, sponsored by Unifarm, will be held at the Breton Hall at 8:00 p.m. on Monday, December 13th to discuss the possibility of the formation of a new county, roughly following the boundarys of the Provincial Electoral District of Drayton Valley.

Alleged inequities in the amounts of money spent in the western portions of Parkland, Leduc and Wetaskiwin Counties, is reported to be a major point of contention to be discussed at the meeting.

M.L.A. Rusty Zander will be present as will M.L.A. Jim Henderson of Wetaskiwin Constituency former Minister of Health and Environment in the previous government.

Xmas Party Saturday

Drayton Valley and area children are invited to the annual businessmen's party to be held in the Cardium Theatre on Saturday, December 11th.

A special movie for the occasion will be shown at three times during the day -- at 10:30 a.m., 1:30 p.m. and 3:30 p.m. Santa will be present and treats will be distributed to all.

All children up to 12 years of age are invited to attend.

To Call for Home Tenders

M.L.A. Rusty Zander reports that information has come from Premier Lougheed to the effect that tenders are bing called for the new senior citizens home in Drayton Valley. Tenders will close at 2:00 p.m. on December 30th.

Work is expected to start immediately after awarding the contract. The project is being undertaken under the Winter Works Incentive Program.

The home will be built on a site south of the Elementary School on 50th Street.

Set Extra Store Hours

Drayton Valley Retail Merchants Association, at a recent meeting, set extended shopping hours for the Christmas season.

Stores in town will be open on Monday, December 13th and 20th from 9:00 a.m. to 6:00 p.m. Late shopping until 9:00 p.m. will also be provided on Tuesday, Wednesday and Thursday, December 21st, 22nd and 23rd.

Stores will close at 5:00 p.m. on Friday, December 24th and will also be closed on Monday, December 27th.

Mrs. Burrows Heads Women's Institute

The regular meeting of the Drayton Valley Branch of the Women's Institute was held on November 22nd with eight members and two visitors present.

Members and guests met at the IGA store at 5:00 p.m. where Mr. Larry Jordan gave a demonstration of meat cutting. Dinner at the Cardium Room followed.

The business part of the meeting was held in the Women's Institute Restroom. Plans have been made to paint the restroom floor and obtain more furnishings.

The appeal for articles to be sent to Alberta Hospitals was well received and several boxes of lovely clothes, purses and costume jewellery have been donated. The W. I. wishes to thank all those who responded so generously.

Mrs. Hammerlindl gave a report on the Handicraft Tea held in Stony Plain. Her comments should be most helpful when planning our own entries. A copy of the handicraft list will be supplied to each member.

The W. I. rented a booth at the Flea Market for the use of the W. I. Girls' Club. Members of the W. I. will also assist the girls with donations of baking for sale.

Roll Call was an exchange of home made Christmas decorations.

The following slate of officers was elected for 1972: President, Mrs. Roy Burrows; Vice-President, Mrs. Glen Bowen; Secretary, Mrs. Harold Hammerlindl; Treasurer, Mrs. Leslie Oscar; and Publicity, Mrs. H. T. Deby.

The Christmas party will be held at Mrs. Hammerlindl's house on December 13th and will take the form of a social evening.

Roll Call will be suggestions for next year's program.

COUNCIL BRIEFS

A committee to study the air strip proposal in the light of recent information from the Ministry of Transport that $37,000. was available for this purpose, was appointed. Members are Councillors Mayhew, Huber and Helm and Town Engineer John Arabsky.

****

Mr. Maynard Godlien was present at the meeting and presented a request from the Drayton Valley Curling Club for cancellation of taxes to aid the club in its financial situation. Council refused the request with the suggestion that the Curling Club raise its fees to members to meet expenses rather than look to financing by ratepayers at large.

****

Traffic control at the intersection of 52nd Avenue and 52nd Street (Bus Depot corner) was discussed but tabled until the R.C.-M.P. are able to study the situation further.

****

Council approved up-dating of police communication equipment as recommended by the Protection to Persons and Property Committee

****

Also on the recommendation of the P.P.P. Committee, Council authorized the erection of "yield" signs in the West Park Sub-division to control traffic entering 54th Street from Blocks 101, 102 and 103.

****

Council approved the recommendation of the Recreation Board that the Minor Hockey Association be charged for use of the Centennial Civic Centre on a 66 1/3 percent to 33 1/3 percent basis. The association receives the larger share and the smaller to the town. The same percentage split is in effect with other users of the arena.

****

Council approved the request of St. John's School at Genesee to sell honey in the town on Saturday, November 27th.

****

An electronic secretary for the administration office telephone was authorized by Council to keep the public informed during hours when the office is closed.

****

Council set prices of lots in Blocks 59 (north side of town) at prices to recover the town investment in bringing the lots to building stage.

BY MRS. EDITH DEBY

Mr. Rose's many friends are sorry to hear that he has had a second heart attack and will be a patient in the Colonel Mewburn Wing of the University Hospital for a time. Get well soon, Mr. Rose. Whoever heard of anyone curling in a hospital?

Wasn't the Flea Market fun? It is hoped the stall owners found it profitable as well.

Deborah Ranks, youngest daughter of Mr. and Mrs. Vernon Ranks, is in hospital with an attack of virus pneumonia. Best wishes for an early recovery, Deborah.

Father Lynch says "He who laughs last is often the but of the joke."

We have been told that Allister Waugh and Douglas Smith have taken up residence in Sydney, Australia. Within hours of their arrival they had found a place to live and had begun job hunting.

Lou Seely, of Alder Flats, Harold Wickware, of Tomahawk, and Kenneth MacKenzie, of Drayton Valley, were among the young farmers who attended the A.I. course last week at Vermilion Agricultural College. Miles Kuryvial, formerly assistant of our D.A., is now the Provincial Supervisor for A.I. He replaces Mr. Bruce Jefferies.

Mr. Lyt Krauter has convalesced to the point where he was discharged from hospital on the weekend. Keep up the good work, Mr. Krauter.

Mr. Ed. Strickland was in town last week for the first time since his transfer to Calgary. He and Mrs. Strickland are having a house built and in the meantime are living in an apartment.

We should like to congratulate both Mrs. Munro and Mrs. Kelly for their recent letters to the Editor on the subjects of snowmobiling and hunting on private lands, respectively. In our opinion both letters expressed the views of land owners very well. Thanks to both ladies.

At the time of writing Mrs. Earl Thompson is seriously ill in the local hospital. We hope to hear better news of her in the next few days.

REBELS BOMB FORT, BARRHEAD

BY DOUG BARNES

The Rebels travelled to Fort Saskatchewan Tuesday, November 31st and gained some revenge after losing their first game at Fort Saskatchewan. They set the Huskies down 8 to 2.

They were led by a five point performance by Sam Belcourt. His efforts consisted of three goals and two assists. Henry Hodgson picked up two goals and one assist in the good hard hitting game.

The Rebels kept the Huskies off balance throughout by good puck control and good solid checks. The Rebels are looking stronger every time out.

There are a lot of opposition goal-tenders who wish Henry Hodgson would stay home. Henry is going good this year early, compared to last year when he had a slow start. If you can call any start he has slow.

Saturday night at Barrhead, Henry went on a scoring spree again collecting five goals and two assists. Frank Novosel scored two goals. Matching this was Sam Belcourt with two goals and four assists.

There never was any doubt about who was going to win this game from the first period on. Final score 11 to 4.

Scoring Summary - Drayton Valley 8 - Fort Saskatchewan 2.

First Period: 1, Sam Belcourt 5:22; 2, Henry Hodgson (Hall-Belcourt) 14:28; and 3, Frank Roggeveen (Belcourt) 17:11.

Second Period: 4, Sam Belcourt (Hodgson) 6:09; 5, Sam Belcourt 12:40; and Fort Saskatchewan, 6, Butch Thomlinson (Pinnell) 16:27.

Third Period: 7, Frank Novosel (Art Assman) 4:05; 8, Art Assman (Day) 5:05; 9, Henry Hodgson (Hall) 13:34; and 10, Fort Saskatchewan, Randy Kjennor (Prins) 17:33.

Drayton Valley 11 - Barrhead 4

First Period: Drayton Valley 1, Henry Hodgson (Davie-Hall) 1:15; 2, Henry Hodgson (Belcourt-Roggeveen) 5:47; Barrhead, 3, L. Craig (Lottz) 6:04; 4, L. Craig (Lottz-Steinbino) 12:30; and Drayton Valley 5, Sam Belcourt (Hodgson-Hall) 17:02.

Second Period: 6, Drayton Valley, G. Pankewicz (Assman-Smith) 7:05; 7, H. Hodgson (Belcourt) 8:58; 8, Sam Belcourt 9:16; 9, Henry Hodgson (Belcourt) 17:44; and 10, F. Novosel (Roggeveen) 19:11.

Third Period: Drayton Valley 11, F. Novosel (Hodgson-McGowan) 7:41; Barrhead, 12, L. Craid (Miller) 8:27; 13, Drayton Valley Henry Hodgson (Belcourt) 9:36; Barrhead, 14, G. Lottz (Hryciuk) 13:45; and 15, Drayton Valley, D. Davie (Assman-Roggeveen) 16:06.

Twenty-four penalties were handed out in the Fort Saskatchewan - Rebels game, eight to the Rebels and sixteen to the Huskies. The Barrhead - Rebels game was a very quiet affair in comparison, five to Barrhead and six to the Rebels.

The Rebels will be at home this weekend, December 11th and 12th to the Fort Saskatchewan Huskies. They travel to Westlock on Thursday, December 9th for a make-up game against the Eagles. This is the game that should have been played Grey Cup day.

I have not received any statistics from the league as yet but Wetaskiwin and the Rebels should be tied for first place with six wins a piece. Maybe the league will come through with something this week.

The following changes will be made in Drayton Valley's Postal Service, during December.

Saturdays, December 11th and December 18th the Post Office will be open and full service provided from 8:30 a.m. to 5:30 p.m. Outgoing mail will leave on these two Saturdays instead of Sunday.

Sundays December 12th and 19th, mail will be sorted to boxes during the afternoon and as the box lobby is open on a 24 hours per day basis, box holders may pick up their mail during Sunday afternoon or evening.

Mail will leave Drayton Valley during the afternoons of December 24th and December 31st and mail intended for these despatches must be posted by 2:00 p.m. There will be no despatch of mail on December 25th and 26th and January 1st and 2nd.

The Drayton Valley Post Office will be closed December 25th, 26th, 27th and January 1st, 2nd, and 3rd.

Please help your Post Office provide better service by mailing early and using box numbers and apartment numbers in addresses.

Agricultural Board Meets

Minutes of meeting of the Agricultural Committee, County of Parkland No. 31, held in the county office, Stony Plain, Alberta on Friday, November 26th.

Members present were Messrs. Leslie N. Miller, Peter Bakker, Ivan Vowk, and George Mann, District Agriculturist, Earle Lowe; Agricultural Fieldman Wm. Moelhoff; Assistant Agricultural Fieldman, Otto Reich and Secretary, Len Webber were also present.

The minutes of meeting held October 29th, 1971, a copy of which was mailed to each member, were adopted.

Mr. Daniel Cole, 8716-150 Street, Edmonton, Alberta was present at the meeting regarding an account for mowing weeds on his land, NE 15-53-5-5, cut by an operator hired by the County of Parkland pursuant to a "Notice to Destroy Noxious Weeds".

After considerable discussion it was moved and carried that due to the fact that a greater area was mowed than that specified in the Notice to Destroy Noxious Weeds, the account be reduced to $100.00.

The assistant Agricultural Fieldman reported that commercial type paint sprayers vary in cost from $1,200.00 to $1,700.00. It was moved and carried that due to the cost, the purchase of paint sprayers be considered when the 1971-72 budget is presented.

AGRICULTURAL FIELDMEN'S REPORT

The Agricultrual Fieldmen's report of activities since the last meeting was discussed. Both the warble fly control and forage programs are meeting with good response from farmers.

Mr. Robert A. Bailey arrived at the meeting at this time.

Acceptance of the Agricultural Fieldmen's report was moved and carried.

ASSISTANT AGRICULTURAL FIELDMAN APPOINTMENTS

It was moved and carried that Mr. Otto Reich, Assistant Agricultural Fieldman, be appointed as a Soils Conservation Officer and a Pest Control Officer for the County of Parkland No. 31.

Annual Banquet

Senior Citizens are reminded of the annual turkey banquet to be held in the Elks Hall on Sunday, December 12th at 5:30 p.m. under the sponsorship of the Drayton Valley Order of Royal Purple.

If you are 65 or over, and have not received an invitation, or know of anyone who has not received an invitation, you are asked phone Mrs. McMorris, 542-3737.

Editorial Comment

Keep Firearms Out of Incompetent Hands

After listening to the arguments criss-crossing the floor at last Thursday's meeting in Rocky Rapids on the subject of the County of Parkland's proposed firearms ban, the editor of this paper reached several conclusions not expressed in a previous editorial on the subject.

If possible, we are even more convinced of the necessity of firm measures to protect rural residents from the danger and damage inflicted by thoughtless vandals. If the only way they can be protected is by a complete ban of every weapon from B-B gun up, then so be it.

However, we are convinced that removing liberties leads only to further restrictions and loss of rights, many of which were purchased by our forefathers at risk of life. Genuine hunters are understandably concerned about measures that would restrict their sport, and unfortunately, because both may carry firearms, are lumped together with an apparently increasing horde of vandals under the general term of "hunter".

We believe the whole problem revolves around one point -- the fact that anyone, regardless of mental or physical capacity may purchase the required equipment and become a HUNTER. Until a senior government recognizes the fact that firearms are equally as dangerous as motor vehicles, which require the operator to prove his proficiency before receipt of a license, then the problem will remain.

We believe further that both sides in the Parkland dispute could accomplish a great deal for the whole province, in the light of the publicity gained across the country, by now petitioning the provincial government for meaningful legislation to keep firearms out of the hands of incompetent persons.

It should be pointed out that the Parkland County Council has been very fair in its treatment of this controversial subject. Initiation came from the Farm Advisory Board, representing county ratepayers who sought protective legislation. The County Council, delayed implementation of the bylaw to give an opportunity for expression of feelings by anyone concerned -- a thoughtful course in our opinion, in an issue that is proving to be of considerable magnitude.

Post Office Costs

A resolution to be presented by the town of Eckville to the annual meeting of the Alberta Urban Municipalities Association calls for an equalization between city and rural municipalities for postal services.

City residents receive mail service to their doors five days a week at no cost to them. Town residents can obtain postal boxes at varying rental rates. So the city residents get their mail delivered free and town and village patrons pay for the privilege of going to the post office and pick their mail up.

We would hesitate to include rural residents with those in the city just because they also receive free mail delivery. The five-day-a-week rural route is a thing of the past and many farm folk receive mail only three times, and some only twice a week. Many rural residents are also renting boxes in town to pick up their mail.

It's fairly obvious that mail carrier service is more expensive than a box rental type of service, and the postal department recognizes this fact. The Lacombe Globe is charged more to send papers to Red Deer addresses than any place else within a 40-mile radius of the town, because of the letter carrier service.

We can think of two possible solutions:

Persons receiving their mail in the city subscribe to mail delivery. That is, they pay a fee every year to have their mail delivered to the door, just as they pay to have the newspapers delivered to their door.

A number of urban sub-post offices be constructed to provide city dwellers with the opportunity to either rent boxes or pick up their mail through the general delivery system.

In a period of rising postal rates and post office department deficits, it is too much to expect the minority of small community residents to help bear the cost of better services to larger centres.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

A telegram from Prime Minister Trudeau this week lifted Alberta government hopes that some progress is being made in the province's efforts to gain more say in federal decisions affecting Alberta's oil industry.

While the prime minister refused outright the most immediate request of Premier Peter Lougheed, he offered to discuss co-ordination of federal and provincial aid programs to the sagging petroleum industry. And he promised a reply soon to Mr. Lougheed's most important demand that Alberta be given observor status at all meetings involving energy.

Mr. Trudeau told the Conservative premier the federal cabinet does not have the power to review a controversial National Energy Board decision denying export to the United States of $1 billion worth of natural gas.

Mr. Lougheed, in a telegram to Ottawa one week previous, had urged a review of the board decision saying it would cost Alberta jobs and would negate provincial efforts to encourage petroleum industry activity.

"When such application is denied, the government under the statute in its present from, can in no way intervene to exercise pressure on the board which is an independent body," Mr. Trudeau said.

"We are still assessing the implications of the board's decision for Alberta gas sales on both domestic and export markets and the commercial considerations that apply to these sales," he said.

Premier Lougheed made no comment on the prime minister's telegram and an aide said the premier would not comment until word was received from Ottawa on Alberta's request for observor status.

But sources in Edmonton indicated the government feels it is making at least small progress in the tricky area of influencing Ottawa's energy policy. The lack of Alberta representation in energy talks has been a constant thorn in the side of Mr. Lougheed's new government and the old Social Credit government.

Meanwhile, the premier has announced the first session of the 17th Alberta Legislature -- the first ever in the province with a Conservative government -- will commence with the reading of the Throne Speech on March 2, 1972.

Mr. Lougheed noted the opening date is two or three weeks later than usual for the province but said the Tory government hopes to revert to a mid-February opening in future years.

Mr. Lougheed said the Tories will hold a fall session in 1972 but have not decided on an opening date yet.

Report From Parliament Hill

By Allen Sulatycky, M.P.

The situation in Northern Alberta regarding the confrontation between the Indian Association of Alberta and the Department of Indian Affairs and Northern Development has been given publicity all over Canada.

The questions involved deal with conditions on the reserves and the schooling of the Indian children.

The immediate problem began early this fall, when a number of parents on the reserve kept their children out of the school which they had been attending. Harold Cardinal, President of the Indian Association of Alberta, met with Jean Chretien, Indian Affairs Minister in Ottawa.

It was there agreed that one of Mr. Chretien's special assistants would travel immediately to Alberta to look at the situation first hand. However, when he arrived, he found that the same people who had agreed to his visit were picketing him at the airport.

He observed the situation, and travelled back to Ottawa to make a series of recommendations to Mr. Chretien. The Minister has since revealed that he ordered all of those recommendations to be carried out within three hours. When the Indian Association was told of the offers, however, they informed the Minister that what he was doing was not enough, and that it would not be accepted.

Later, at a meeting in Winnipeg, the chief of the Keeheewin, Chief Gordon Young Chief, asked of the Minister exactly what had been offered before, but had been advised to turn down. This and other similar occurrences would indicate that certain people were playing politics with those Indian people deserving aid.

When Mr. Chretien was confronted with the strike of people keeping their children home from school, he did not negotiate any of the demands presented to him. He said that the children must be allowed to go back to school first, and that it was unfair to the children to use them as a bargaining tool. That is why he would not give in to the pressure brought upon him.

The first person to admit that the schools on the reserve are not as good as they should be, and to express the wish that more money could be allocated for their improvement, is Mr. Chretien himself. However, being in the position of administrator with a budget, he can only spend so much at a time. It should be pointed out though, that more has been done in this light in the last few years than in decades previous.

LETTERS TO THE EDITOR

The Editor,

Summary Regular Meeting Parkland County Council

Minutes of regular meeting of the council of the County of Parkland No. 31, held in the County Office at Stony Plain, Alberta on Monday, November 22. Minutes as recorded by the secretary and not yet adopted.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors George Mann and Ivan Vowk.

The minutes of the last regular meeting, a copy of which was submitted to each Councillor, were adopted.

Complaint of flooding on the N½ 20-53-26-4 by Mr. B. F. Buckholtz of Winterburn; inspection by the Public Works Committee was made on November 15th, 1971.

It was agreed that this matter be reviewed with the County Solicitors before any further action is taken.

A copy of a letter dated October 25th, 1971 from the Minister of Public Works to Mr. T. Sargent of R. R. 5, Edmonton and petition bearing 14 signatures was presented to Council requesting extension of the proposed Parkland Water Line to serve the Lansdown road area.

It was agreed that this matter be referred to the County Solicitors for the purpose of requesting the City of Edmonton to give consideration to this request in the forthcoming annexation proposals.

REQUEST FOR OPERATING FUNDS

Requisition for $1,000.00 from the Parkland Water Board for operating funds was presented to Council. The Water Board is requisitioning each participating authority for this amount which will be repaid when the Department of Public Works releases funds for financing of the water line.

It was agreed that the sum of $1,000.00 be temorarily advanced to the Parkland Water Board.

MUNICIPAL INSPECTOR'S REPORT

Report of inspection made on October 21st, 1971 of the condition and affairs of the County was presented to Council.

It was agreed that the report be accepted and Municipal Affairs officials be advised with respect to a comment in the report concerning records of expenditures by division.

Request for cancellation of lease on the E½ 19-53-3-5 was received from Mr. Paul Gray of Wabamun. It was agreed to accept this request and cancel the lease effective immediately.

Request for an access road to L.S.D. 4-17-51-26-4 was received from Mr. W. Merlo of Edmonton. Letter dated September 23rd, 1971 from the above named was presented to Council requesting construction of an access road to the higher ground in L.S.D. 4-17-51-26-4. This matter was referred to the Public Works Committee for inspection.

Letter dated November 8th, 1971 from Mrs. Nancy D. Morrison of Edmonton was presented to Council requesting that "No Parking" signs be placed on the lower road in Whitewood Sands as vehicles park on this road and create traffic hazards as well as impede entrance to private property.

It was agreed that "No Parking" signs be erected on this road as requested.

Councillor Robert A. Bailey arrived at the meeting at this time.

FUEL SUPPLY

The agreement for fuel with Texaco Canada Limited expires on December 31st, 1971. Texaco Canada Ltd. has offered to renew its agreement to supply the County's fuel requirements at an increase of 0.4 of a cent per gallon on all fuels.

It was agreed that this matter be tabled until the next meeting for more information with respect to the period of time Texaco Canada Ltd. will make this agreement for.

Report dated November 2nd, 1971 from the Medical Officer of Health for the Stony Plain - Lac Ste. Anne Health Unit No. 17 was presented to Council. The report outlined the condition of the waste disposal grounds throughout the County with recommendations for remedial action in some cases.

It was agreed that this report be referred to the Public Works Department for attention.

HEARING ON THE PROPOSED ANNEXATION

Notice received that the Local Authorities Board will conduct a hearing, with respect to an application by the City of Edmonton to annex certain lands from the County of Parkland No. 31, on Monday, November 29th, 1971.

It was agreed that Councillors Robert A. Bailey and Leslie N. Miller be appointed to represent the County at this hearing.

Information has been received with respect to the Federal Government Program to combat unemployment during the winter months.

It was agreed to refer this information to the Public Works Manager to determine whether the program may be utilized for the benefit of the County.

By-law No. 46-71 providing for the borrowing of $7,000.00 by the issue of debentures for renovations to the old Elementary School in Spruce Grove received first, second, and by unanimous consent of the Councillors present a third reading and finally passed.

It was agreed that the office be closed on Friday, December 24th, and 31st, 1971 for Christmas and New Years holidays.

REEVE'S REPORT

By Les Miller, Reeve
County of Parkland

The month of November has been a most hectic one, culminating with the County election, November 24th. I would like to extend congratulations to the winners and also thank the other candidates for their interest. You are no doubt all aware of the results. I would like to thank the electorate for their strong support of Council and also express a special welcome to our new members, Mr. Maurice McCullagh, Division 6, and Mr. J. W. Fuhr, Division 4. Mr. McCullagh brings with him a wealth of experience in the construction and business fields and Mr. Fuhr also has a background as a sound businessman. Both will be valuable assets to your Council. I would be remiss if I did not express a special word of thanks to our two retiring Councillors, Mr. Rusty Zander and Mr. Roy Lent. Both have devoted their lives to local government, having served in excess of twenty years each. Both had such a wealth of experience, that they will be sorely missed. I have certainly appreciated personally, the great help they have been to me, and I am sure I speak for all the people in the County when I say "Thank you gentlemen for a job well done"; all of us appreciate your service.

November was Convention Month. The A.S.T.A. Convention was held in Calgary, November 8 - 10 with 6 of our representatives attending and the County Convention was held in Edmonton, November 15 - 19 with 3 representatives attending.

The main features of the A.S.T.A. Convention will be dealt with by the School Administration in their columns in this paper. A feature of the Municipal Convention was the fact that 4 new Cabinet Ministers, as well as the Premier, spoke to the convention and had some new programs to report. Dr. Horner, Minister of Agriculture, spoke of the government's desire to assist agriculture and in particular maintain the family farm. He announced an extension of areas qualifying for the $10,000 guaranteed loans for livestock breeding stock. Our County is still not included, but we will shortly be making representations in this regard. I am informed as I write this that a change is contemplated which would include that portion of our County west of the 5th Meridian. Dr. Horner also announced a new program of assistance, in conjunction with the Department of Environment, for the cleaning of waterways. The Hon. Clarence Copithorne spoke of expanding the secondary road system and greater assistance in the acquiring of right-of-ways. This again will be most helpful. The Minister of Municipal Affairs, Hon. David Russel, gave us some insight as to the direction the government will be going in municipal financing. He indicated there will be no major revisions for 1972 but to expect major revisions in 1973. The government task force on Provincial-Municipal financing is to have its report submitted by then. He said they still anticipated removing the 30 mill education tax, but if they did, they would also probably offset it some by eliminating the municipal assistance grant and probably the home owners grant, as the government realizes that the money must come from somewhere, but they do feel there are mote equitable means than property tax. The indication from all government speakers, including the Premier, was that no legislation affecting local governments, would be introduced without having first been presented to them for comment. We are pleased with this attitude and look forward to being involved with new legislation as it comes up.

On the local level, we received representation from Fish & Game Associations & Fish & Wildlife at our November 12 meeting regarding the proposed no-shooting by-law. In view of these representations, the matter has been tabled until January and referred to these groups to come up with some alternatives to help overcome the problems faced by our farmers and still not adversely affect the good hunters. We hope something constructive will be offered.

The water line from the City to service Spruce Grove and Stony Plain is on again. The Department of Public Works asked that the project start this winter to help provide employment, and they in turn offered a much more attractive agreement to the local jurisdictions. The new agreement calls for a 20% defirment of repayment until the line reaches a surplus position and other minor concessions, which caused the water board to reconsider their earlier decision to re-tender in the sping, and instead proceed with construction now.

The annexation hearings for the negotiated annexation with the City of Edmonton were held November 29th. Since it was the area agreed to previously, we did not oppose the annexation, but did express concern and requested that our ratepayers going into the City be given fair treatment, and receive the level of services they have been getting and also that they not be adversely affected in regards to taxation, zoning, etc. All indications are that this will become a stable boundary for some considerable period. We anticipate the annexation will be approved effective January 1, 1972.

Our Public Works Department is preparing a list of roadside brushing, etc. for which we are applying under the government's winter works program. We feel it qualifies, but as yet have no answer. We will be meeting with our neighboring jurisdictions to see if there are any joint winter works projects that might be undertaken.

Sincerely,
Les Miller,
Reeve.

LINDALE NEWS

Regular Meeting County Council

Con. from page 5

Letter dated November 4th, 1971 from Mr. Ronald A. MacDougall of R. R. 1, Duffield was read to Council requesting construction of an access road to the NE 34-50-4-5. The request was referred to the Public Works Committee for inspection.

Request for exchange of road right-of-way was received from Calgary Power Ltd. was presented to Council requesting to exchange the new road right-of-way in the S½ 10-53-4-5 for the abandoned right-of-way in the S½ & NW 1/4 10-53-4-5. Construction of the new road was necessitated by the fly ash lagoon installed by Calgary Power Ltd. It was further requested that the new road right-of-way be reduced to 82.5 feet in width from the original proposal of 100 feet.

The exchange of the two right-of-ways were agreed to, subject however that the new right-of-way be 100 feet in width as originally proposed.

CRACKS IN WABAMUN ARENA FOUNDATION.

Letter dated November 9th, 1971 from Mr. C. A. Armstrong, Acting Superintendent for the Parkland Regional Recreation Council was presented to Council advising that the foundation under the Wabamun ice arena is full of cracks. Mr. Armstrong further advised that Mr. G. M. Rekken, P. Eng. has indicated that these cracks should pose no problem since the foundation is reinforced with steel.

It was agreed to obtain written confirmation from Mr. Rekken of his opinion regarding the cracked foundation.

Letter dated November 12th, 1971 from the Alberta School Trustees' Association was presented to Council advising that its employee benefit plan has now been extended to allow participation by some classes of public works employees.

It was agreed that this matter be deferred until salaries are being negotiated.

Letter dated November 15th, 1971 from C. J. Woods Sales Ltd. was presented to Council requesting payment of $718.51 for work done on the Drayton Valley Office Building that was not called for in the contract.

It was agreed that this matter be referred to the Building Committee for inspection and recommendation.

Progress requisition No. 6 in the amount of $13,276.65 for construction of the office addition was approved for payment.

HOSPITAL REQUISITION

An additional requisition for the sum of $15,475.20 was submitted by the Drayton Valley Municipal Hospital to cover the purchase of new radiological equipment.

It was agreed that this requisition be accepted.

Proposed subdivision in the SE 4-53-1-5 was received from Mr. Phillip Kulak of Stony Plain. It was agreed that this application be not dealt with at this meeting but that an emergent Interim Development Board meeting be held on Tuesday, November 30th, 1971 to deal with development matters of an emergent nature.

Letter dated November 18th, 1971 from the Town of Stony Plain was read to Council advising that the Summer Village of Edmonton Beach wishes to continue using the jointly Town - County owned nuisance ground in the SE 35-42-1-5.

It was agreed to accept the same arrangements with the Summer Village of Edmonton Beach for its use of this nuisance ground as were made last year.

A revised draft agreement between the Municipalities and the Department of Public Works for installation of the proposed Parkland Water Line was presented to Council for consideration.

The agreement was approved.

Letter dated November 10th, 1971 from Merlin Transport Ltd. was read to Council advising that it can supply crude oil at .095 cents per gallon provided it can be hauled during the winter and stored in County facilities. The County would be required to pay for the oil as required during the 1972 season.

It was agreed that a quantity of this oil be accepted and stored as suggested.

REALIGNMENT OF LODGEPOLE ROAD

It was agreed that the Department of Highways and Transport be requested to approve a realignment of the Drayton Valley - Lodgepole road in order that the new right-of-way may be arranged for.

It was agreed to request the Department of Highways and Transport to redesignate to a 900 Series Secondary Road the Carvel to Gennessee Bridge road and 118th Avenue from Edmonton west.

By-law No. 47-71 authorizing the temporary borrowing of $44,444.44 to finance the County's remaining two-thirds portion of the Wabamun Ice Arena recieved first, second, and by unanimous consent of the Councillors present a third reading and finally passed.

VILLAGE OF SEBA BEACH FIRE PROTECTION

Letter dated October 21st, 1971 from the Village of Seba Beach to Councillor Mann was presented to Council requesting that the village and County enter into a formal agreement for reciprocal fire protection services.

It was agreed that Councillor Mann and Fire Chief Adolph Shep be delegated to work out an agreement with the Village of Seba Beach.

It was agreed that written confirmation of authority for members of Council to subdivide land be obtained.

Councillor Mann reported having received a complaint that shavings from a planer mill in the NE 36-52-6-5 blow onto adjacent roads preventing the roads from drying out and causing slippery conditions.

A delegation of six area residents and Mr. A. Neuman, Sanitary Inspector for the Stony Plain Lac Ste. Anne Health Unit No. 17 was presented at the meeting in connection with the proposed establishment of an intensified cattle feed lot on the SE 31-52-27-4.

The delegates expressed concern that this development might create a health and nuisance hazard by pollution of a creek and emmission of odors.

Upon checking the Provincial Board of Health Regulations and Development Control By-Law of the County it appeared that this development is in contravention of existing regulation and by-laws.

It was agreed that the developer be requested to cease work on this development until such time that he has obtained the necessary approval and permits.

MAGNOLIA NEWS

The local ladies club is raffling a food hamper at the annual Christmas concert which is to be held shortly before Christmas day. Anyone wishing to contribute to the hamper is asked to leave their donation with Nora McCracken or with Betty McDougall.

Mr. D. Churchill held a whist party at his home during the evening of Friday, November 12th. Mrs. Ray Storms graciously acted as hostess for the evening. Both the weather and the roads left much to be desired but sixteen folks arrived to fill four tables for cards. The ladies prizes were won as follows: 1st, Norma Williams; 2nd, Danny Roth who played a ladies part; consolation went to Alma Roth while Mary Reich won the travelling prize. Al Roth won first for the gents; Mr. Churchill won second; August Reich captured consolation while Chris Christensen got the travelling prize. A most delicious lunch was served by the ladies present. Everyone reports having a very good evening.

John and Ruby Brown spent the second week in November visiting with Ruby's relations in the region south and east of Edmonton.

Alex and Joan Negraiff brought their baby daughter home on November 14th. This new member of our community weighed in at seven pounds nine ounces and her name is "Tanya Dawn". Mother, baby and dad are all reported doing very well.

The annual turkey supper was held in the community hall from five p.m. until 8:00 p.m. on November 14th. Approximately one hundred-twenty to one hundred forty folks consumed all they desired. Following their supper many folks remained to visit with friends who came to dine. The proceeds from this supper go towards the childrens candy bags.

Todd Martel of Edmonton spent the November 20th weekend with Dean and Betty Strangway and boys. Sunday brought Todd's parents Omer and Cherynne also his brother Marty.

Other folks visiting with friends and relations were Mr. H. Brown of Edmonton also Mr. and Mrs. H. Anderson of Fallis.

Dean and Betty Strangway arrived home in time for the turkey supper. They stopped to visit with several relations on their way home from Winnipeg. Dean now hopes to remain at home for several weeks.

Christmas concert fever is mounting among the children as they study their parts. The hard working captain of this crew of youngsters is Betty Strangway.

In Appreciation

Since recommending myself to you for re-election, a majority of electors of Division 5 have confirmed a favour upon me which I shall be unremitting in my labours to compensate.

The next Elks Bingo will be held on December 7th at 8:00 p.m. at the Breton Community Centre.

ALDER FLATS NEWS

A lovely bridal shower was held in honor of Rosalie Cook on Monday evening, November 22nd with over fifty ladies present. The evening started out with games, first choosing titles of Christmas songs for the pictures shown, the other was unscrambling letters to make words of kitchen utensils. Everyone had a lot of fun and enjoyed the games.

Assisting Rosalie was Jackie Chapchuk with the recording of the gifts. Louise Scrybalo decorated a hat with bows which Rosalie donned later as she graciously thanked everyone for the gifts. Mrs. Shanks supplied a lovely lunch cloth which all the ladies autographed and later Shirley went over with liquid embroidery paint. Mrs. Anne Capaniuk made and decorated a doll cake for the bride's table. Hostesses for the occation were Jackie Chapchuk, Louise Scrybalo, Lana Blades and assisted by Linda Wennerstrom. Rosalie and Joe Mills will be married December 4th in Drayton Valley.

Another lovely bridal shower was held in honor of Judy Abbott the following evening, November 23rd in the Legion Hall. There were thirty ladies present. Assisting the bride-elect were Linda Abbott and Tammy Melin opening the gifts and Vickie Laczo recording them. Judy looked lovely with her hair adorned with ribbons and bows as she thanked the ladies for the gifts and for coming. Mrs. Shanks supplied a lovely apron which was autographed by all present and finished with liquid embroidery. Shirley had also made a bride's cake for the bride's table.

Hostesses for Judy's shower were Mary Speakman, Shirley Shanks, Connie Maclean, Lois Robinson and Margie Hammond. Judy and Myles Melin were married Saturday, November 27th. Congratulations to the happy couple.

This was a very busy week out here, Home and School met on Thursday evening with fourteen members present (November 25th) $247.00 was realized from the Harvest Sale, Bingo and Raffle. A motion was made and approved that the Home and School give one hundred dollars towards the band fund now and raise more money in the new year for this project.

The school will be sending out notices with the request for information on early settlers, history of the church, school or on anyone having something to do with the progress of this district or hamlet. This is requested for the history book Pendryl are compiling for publication. Any information will be appreciated.

Christmas gifts and treats will be the same as previous years. There will be a Christmas program at the school December 17th at 1:00 p.m. Notices will be sent from the school.

Hostesses for the evening were Mrs. Shanks, Mrs. Blades and Mrs. Lois Johnson. Next meeting in December.

Mrs. Darlene Seely hosted a fabric party at the Legion Hall on Thursday evening with Mrs. Willows from Pendryl supplying the material

Al and Bev Clemmer and family moved into their new house on the farm on Saturday.

A thank you to Mr. and Mrs. Louis Thrower for their donation to the Ken Memorial fund.

The Guides and Brownies would like to sponsor a community Christmas card. A minimum donation of a dollar is requested. It will be displayed in one of the local stores in December.

Dennis and Ruth Nelson were accompanied by Sandra Ring, Dwayne Hoflin and Blayne Johnson to Edmonton on Saturday afternoon, to hear the Power and Light Musical Group perform in the evening at the Alberta College. The Paul Simon's also attended.

Lars and Doris Larson and Karen spent the weekend in the city shopping, visiting and Lars attended a N.D.P. meeting.

Program Cancelled

Mother's Day Out program for December 8th has been cancelled. The program will resume in the middle of January.

In Drayton Valley each Wednesday at Sekura Auction Mart from 1:00 p.m. to 4:00 p.m.

There is a new crop being harvested on many a farm these days. Its called "people". They come on a pay-for-play basis to spend their leisure time hunting, fishing, riding horseback, ski-dooing, skating, snowshoeing or just plain resting, eating farm meals and even "helping" with the farm chores.

Can recreation become an important source of additional income for a small farm? Although the real source of income will continue to be traditional farm products, I believe recreation could become important for some of our roughland owners.

Certainly one requirement mentioned by those who have been successful with recreation enterprizes is a liking for people.

Vacationers can be trying on occasion but they can also bring you new friendships and new interests as well as money.

Chances are, you'll do better if you can offer scenic beauty or objects of historic interest nearby. And it helps to be part of a recreation group than to be stuck where nobody can find you.

The Great West Vacations Association at Bentley is an example of 50 farmers who joined together to set up a farm vacations program As the details of the group have appeared in most farm papers and are available here, I shall not repeat them. Their idea seems to be catching.

NOTICE OF
UPCOMING EVENTS

POT CAUSES BRAIN DAMAGE SAYS DOCTOR

LONDON -- A survey carried out by a group of British doctors show that people who regularly smoke marijuana run the risk of permanent brain damage, a medical magazine says.

The Lancet magazine said doctors from England and Wales examined 10 men who had been smoking marijuana from three to 11 years and found they had such symptoms as headaches, loss of memory or concentration, hallucinations and schizoprenic behavior.

Their brains showed evidence of cerebral atrophy, which indicates irreversible brain damage, the doctors said.

They suggested that years of drug abuse produced this effect, which can also be brought about be indulging in heavy drinking.

Drama Students Begin Rehearsals

The Drayton Valley Junior High School Drama students have begun work on their second annual variety show. As part of the year's course the students are taking movement, creative and modern dance training and thus this years show will incorporate what they have learned in these areas.

The show will contain less numbers than last years but each number will be larger in scope. The feature of the show will be a production of Joseph's Amazing Technecolor Dreamcoat.

The choreography for this number and the rest of the show is being done by instructor Paul Bradley and students Brenda Kruger, Bev Waslyk, Audrey Schmidt and Cindy Getzinger.

Some other students taking part in the show are Pam Reid, Dale Chenery, Dale Swabe, Krista Hansen, Lori Schmidt, Pat English Wayne Sawyer (playing part of Joseph), Annelen Reid, Willie Eustace, James Fowler, Clayton Hines, Debbie Daviduk, Michel Shimbashi, Graeme Smith and others to be cast as yet.

Next January the students will have the opportunity of working under one of North Americas greatest dance teachers and choreographers, Mr. Wallie Siebest, who has done, not only Broadway work but also numerous TV shows, such as Carol Burnett.

The students and drama department of the Junior High are in great need of costumes for improvisations and show work and thus will be canvasing the town this weekend and in the Christmas holidays for used Klondike dresses, old hats of all types, old jewellery and anyother usable clothing. If you have such please phone the Junior High and the students will come around to your house at anytime convenient to you. Also needed is an elaborate Indian head-dress.

The Senior-Junior High West Zone II drama Festival will be held this year on the weekend of April 28th at Barrhead. The winning school will go on to the Banff School of Fine Arts, Banff for the Provincial Championships during the Easter week holidays.

The Junior High has not as yet chosen this year's play but is concidering "The Lottery" by Shirley Jackson. Also on tap is the second annual Junior High Drama Festival for the spring.

Immediately needed is the record of the "Lighthouse Chant" If anyone has a copy please phone the school - we will pick it up, tape it and return immediately. If you are also thinking of discarding any old lamps or furniture please also notify.

Also contemplated for the new year is an eight week modern dance clinic Wednesday nights 7:00 to 9:00 p.m. for any Drayton Valley and area residents for the cost of six dollars. Included will be creative dance, movement, modern, jazz, folk, interpretations and body exercise for endurance and performance. Maximum enrolment, thirty students. If interested, phone 542-4298.

FALLIS NEWS

Pat Orchison of Edmonton was home over the weekend to visit with her parents, brother and sister, Mr. and Mrs. Orchison, Russell and Paula.

Sympathy is extended to Mr. and Mrs. Lounsbury on the death of Mr. Lounsbury's sister who passed away recently.

Mr. and Mrs. Charles Fluet from Meadowview were recent visitors to the home of Mr. and Mrs. Lounsbury.

Laurie Margerison was home for the weekend to visit with her parents, brother and sister, Mr. and Mrs. J. R. Magerison, John and Bonnie.

Bingo was held in the Fallis Community Hall on November 26th with a very large crowd in attendance. A turkey bingo was also held in the hall on December 3rd at the regular time of 8:00 p.m. The next bingo will be held on December 10th with two jackpots, one of $120 in the first five calls and a bonus jackpot of $25. in 58 numbers.

WHAT IS THE WOMEN'S INSTITUTE?

A question often asked. It is an organization of women whose motto is "For Home and Country" with a membership of some 3,000 in Alberta, 58,000 in Canada and 6,500,000 throughout the world. It is non-political, non-sectarian and non-racial.

It was originated in Ontario in 1897 by Adelaide Hoodless, who had lost her only child. She felt women must organize and learn health care and homemaking.

She assisted Lady Aberdeen in the formation of the Victorian Order of Nurses and she pleaded to have Domestic Science added to University and school curriculum.

She died while making a plea, from a heart attack. Later her pleas were recognized and the course was taught in Universities.

As members from Ontario moved west, they were lonely for the company of women, so organized branches throughout. Alberta's first branch was organized at Lea Park, North of Vermilion in 1909.

Other countries heard of this and started branches. The first one in Europe was formed in Wales.

Federated Women's Institutes in the Canadian organizations and the world organization is known as the Associated Countrywomen of the World (A.C.W.W.). Once a member of a branch, you also belong to the other two. It is said to be the "Country-women's University" - the program studied consists of Agriculture and Canadian Industries, Citizenship and Education, Health and Home Economics, Handicraft and Cultural Activities, Social Service, United Nations and Exchange. Their range of activities is so great it is difficult to enumerate all of them.

Here in Alberta the A.W.I. has been instrumental in establishing welfare work, municipal hospitals, x-ray clinics, inspection of schools, publishing of local histories, rest-rooms, libraries, community halls, recreation.

They give bursaries annually to the three Agricultural and Vocational Schools, and a musical scholarship, assist students to attend seminars. Many branches give trophies or scholarships to students in their own schools, and to 4-H clubs in their district. In some districts the cemetary is made beautiful by members. New comers are welcomed by the branches, to a community. Creative writing and handicraft competitions are held, also annual flower and vegetable shows.

In 1955, through voluntary contributions, $1,000 was raised and presented to the Alberta Division of the Cancer Society for the purchase of photographic equipment for the Dr. John S. McEachern Research Laboratory.

In 1930, the A.W.I. raised money to purchase enough radium so cancer patients could have free radium treatment. Once started the Provincial Government carried on with this. In 1945, the A.W.I. asked for cancer clinics to be set up. In 1940, they raised $2,000.00 to give Christmas Cheer to bombed out Britons. In 1948, they sent tons of clothing to Europe and Asia. In 1953, they donated $4,100.00 to the Arthritic foundation. Contributions through study and financial aid are given to the Red Cross, Unitarian Services of Canada, the Mental Health Association.

The A.W.I. has representation on the Provincial Boards of Consumers Associations, the Red Cross, Indian-Eskimo Association, Council on Aging, Continuing Education, Mental Health, Unitarian Service Committee, Western Canada Safety Council.

They have presented briefs to the Royal Commission on the Status of Women in 1968 and the Worth Commission on Education in 1970.

Locally, where there is a Senior Citizens Home or Nursing Home, branches take treats and entertain the residents on birthdays and Christmas. Donations are made to hospitals to help buy some equipment, sewing is done. Playgrounds for children have been established in towns. Community Halls, maintained by members. Fire victims are assisted, Christmas hampers given to sick or needy. The C.N.I.B. is assisted, and some members play cribbage with the blind.

Alberta Women's Institute Girls Clubs are formed throughout Alberta and through the training they receive we can be sure they will be the citizens of the future in whom we can be proud.

To be an Institute member is a most satisfying and rewarding experience.

Anyone wishing more information or wishing to organize a branch can do so by contacting Mrs. R. Burrows at 542-3618 after 6:00 p.m. or any other W. I. member or write Mrs. K. Dalheim Constituency Convenor, P.O. Box 262, Onoway, Alberta.

CLIPPERS WIN

Clippers hosted Olds Midgets before a disappointing crowd on Saturday at the Civic Centre.

The defense of Bruce Hutton, Ron Reich, Dean Samis and Kevin Reich came up with their best offensive performance of the year by scoring six points and contributing to most of the 44 shots on the Olds goal. Defensively they limited 11 shots on Bert Dupperron in the Clipper net.

Ron Reich set up three goals and Kevin Reich set up two goals. Darcy Galvin lead the forwards with two goals, singles going to Ron Bartek, Xavier Coppens, Ken Fournier and Dean Samis.

Clippers play at Lacombe Saturday and their next home game is on December 12th against Stettler at 4:00 p.m.

WHAT IF YOUR PURSE DISAPPEARS?

With Christmas only weeks away the seasonal itch to buy comes on strong. Equipped with your list, purse and good shoes you begin the trek to buy. What about that purse? The loss of a purse or wallet by theif, accident or mysterious disappearance is a frustrating experience. The October issue of Canadian Consumer contains an article by Prof. R. M. A. Loyns on the subject. He writes: You will be temporarily without money, credit cards, drivers licence, and identification It will be a worry and inconvenience at home. Your immediate response should be the following:

1. Quickly telephone all local credit granters that are involved, as quickly as possible notify all creditors by mail, preferably registered mail, to minimize your liability.

2. Notify all issuers of notes, securities and cheques, including banks and Government.

3. Give details to your own bank.

4. Notify police giving all details of the loss.

There are a number of painless precaustions which can be taken now to prevent a lost purse or to minimize your inconvenience and loss if it does occur.

A. Periodically list contents of your purse recording identification marks and numbers. Make the list readily accessible to your self and one other person.

B. Destroy all old or unused credit cards, carry only those you need. Your protection and convenience can be increased with one of the newer multiple purpose credit cards.

C. Develop good use practices. Don't leave your purse visibly unattended in shopping carts, on counters, in your auto, or in your home. Use and immediately refile credit cards.

D. Do not carry large amounts of cash or unchased cheques. Keep "Rainy Day" funds in a safe home location.

E. When travelling carry travellers or cashier cheques. They are insured. A secondary source of identification and money is easy and may save inconvenience.

F. Consider insurance. Most credit cards limit your liability - know the rules. Several forms of credit card insurance are available Household insurance covering some losses can be obtained. The cost of these is usually small.

G. Keep retailers who grant credit on their toes. Demand identification and signature cheques. Check receipts and bills carefully.

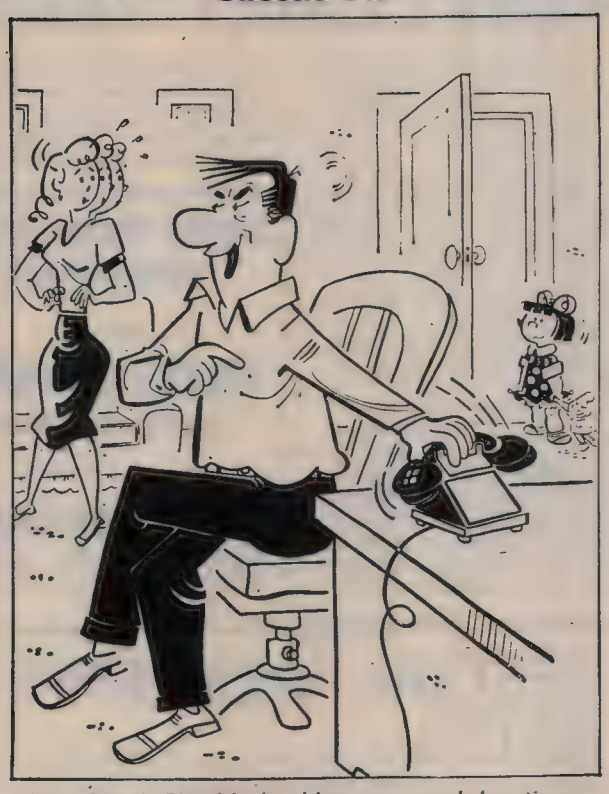
Sweetie Pie



"Just Sweetie Pie with that 'three guesses who' routine— I hung up on her!"

TOMAHAWK NEWS

The Tomahawk and District Club called a special meeting on Wednesday, December 3rd. The main topic was the skating rink. Since the club has no funds to pay for a caretaker and no one has any ideas of how to raise money, it was finally decided that we'd have to have volunteer help.

It was decided that each volunteer be in charge for one week and do the duties of a caretaker. Help will be hired in the event of a heavy snow fall.

To some people the rink is just a headache. But to others it is a wonderful thing. It is fresh air and exercise for the children, rather than hanging around the street corners or sitting and watching T.V. all the time.

It also can be a family affair for those who wish to take advantage of this wonderful facility. Tomahawk is really fortunate to have had this rink and building built for them. Tomahawk would never have done this on their own and some other community could have gotten it instead. All we're asked to do is, use it and look after it.

Schedules will be out soon and skating fees are asked to be paid by December 15th, 1971. The fees are to help pay for fuel and power.

The fees are the same as last year. Family ticket $10.00, 18 years and over $4.00, 13 years to 17 years $3.00 12 years and under $2.00 or 25¢ for each time.

A skating party is planned for Sunday afternoon on December 12th, 1971 from 2:00 to 4:00 p.m This is a family affair, so kids bring mom and dad along.

Final plans for the New Years Eve Social Evening were discussed at the meeting. Tickets for $3.00 each are now available. So get your tickets early to be sure of a good time at "Good Old Tomahawk."

The Women of Unifarm met at the home of Lena Zaniewicz for their Christmas Party on the evening of December 4th. Eighteen members and guests were present. They played games, exchanged gifts and two Christmas Carols were sung in German. The evening closed with a delicious pot luck supper.

Seven tables of card players enjoyed whist on December 26th at the school. Travelling prize winners were: Mr. Overbo and Frances Gilbert. Men's first prize winner was Reed Berryhill and Ladies was Lenora Welk. Consolation winners were Alma Schadeck and Fin Shaw. Next Whist Drive to held on December 17th.

Pee Wee Hockey Report -- Saturday, November 13, Tomahawk 2 - Norette 2; Sunday, November 14, Tomahawk 3 - D.V. Ford 2; Saturday, November 27, Tomahawk 3 - Elks 3; and Wednesday, December 1st, Tomahawk 1 - Lions 3.

FROM THE ELEMENTARY SCHOOL

Our personality of the week is a grade one teacher, Miss Karen Turner. A couple of weeks ago Miss Turner received her B. Ed. at Fall Convocation. She has lived in various cities in the west, Edmonton, Saskatoon, Winnipeg, Calgary. There is a story about her being the most popular girl in grade one; she was the only one who had a swing set in her yard. Miss Turner enjoys skiing, and driving a red Toyota. She claims the dubious experience of having knowledge of certain ditches too..

And a story from Miss Turner's room — A little girl in her class was telling about her dad going in for a chest X-ray. Said she, "I hope he's wealthy".

Miss Turner "Don't you mean healthy?"

Girl "Yeah, wealthy, that's what I said."

We welcome back Mrs. Ruby Hurley, Grade three, to the school. Mrs. Hurley, has been recuperating after major surgery in October. And thanks to Mrs. Martha Lepp, who so ably took over the class.

GAINFORD NEWS

While Mr. Lawley attended a United Grain Growers meeting in Sangudo on Thursday evening, I went along and visited Mrs. Brett formerly of Evansburg.

Mr. and Mrs. W. Panchuk were Deputy Returning Officer and clerk for the voting poll on November 24th.

Mrs. Redith Miller went to visit her mother last Sunday.

On Monday Artex Instructors met at my home. A very informative meeting, a bit of open tip tube painting demonstration and we learned that the 1972 catalogues out the beginning of January will have 184 new designs in pictures and linens.

Just had a call from Mrs. Hauser. They took baby Karen in for a check on her health and progress at home. Mrs. Clarke went along and they visited Mr. and Mrs. F. Wilkens. Mrs. Janet Hauser, isn't fully recovered from her eye operation yet.

Looking out my window I see many cars around the hall so it looks like the Brownies are having a sucessful bazaar and tea this afternoon of November 27th.

Many Activities At Evansview

November was a busy month for students and teachers of Evansview Elementary School. A new project was undertaken -- "Hallowe'en for UNICEF" and a total of $43.00 was collected in UNICEF boxes.

To also help the less fortunate, November 11th sale of poppies amounted to $18.00.

Early in November, the Grade 7's published their paper, "The Monthly Blab" a project of Language Arts Option, under the direction of Mr. Dennis Belyk, Grade 7 Language Arts teacher. This publication contains articles of interest to the students; noon hour sports schedules, results of team sports, an article of "Personality of the Month", as well as some creative writing, jokes and riddles.

Parent-Teacher interview were held on November 22nd, with approximately 80% of parents in attendance. Student report cards, given out November 19th, preceeded the interviews.

Prior to this, parent-teacher night was held on November 8th, at which Mr. Kangas, Principal of Evansview; informed parents of the new reporting procedures. A gratifying number of parents were in attendance. Representing the Yellowhead School Division was Assistant Superintendent, Mr. Haze Westcott.

Coffee and doughnuts were served by the Grade 7 girls.

Video equipment was on display and in operation. Parents had an opportunity to see how some of their money is spent and also to see themselves on T.V.

A guest book is in the entrance to the school, and all visitors through out the year are asked to sign their names and comments, if they wish.

A new innovation of Evansview School is volunteer aide from parents assisting teachers in routine tasks. Working in this capacity are Mrs. Langford and Mrs. Struthers, Mrs. Kangas and Mrs. Keast.

School closes for the holiday season on December 17th and will re-open early in January.

Attend 4-H Conference

4-H representatives attending the recent 4-H leaders conference in Edmonton were Mrs. B. Bruner, Mr. M. Hotra and Mr. J. Ohnsty. This year the conference was centred around programing for the 10 and 11 year olds since the age of joining 4-H clubs has been lowered.

Several new project displays were viewed. These ranged from leathercraft, self determination to veterinary medicine, in fact almost any project of interest may be followed, not just the well know beef, garden, and clothing.

Guest speaker for the first evening was Mr. Horst Schmid, Minister of Youth, Culture and Recreation. As well the 4-H leaders were entertained by "Sing Out Edmonton". This is a very enthusiastic group of youngsters who sing for the enjoyment and who were very much enjoyed by those that heard them.

Most 4-H clubs in the area have re-organized and details of the meetings will soon be sent by respective club reporters. The newest 4-H club formed in the district 16A Tractor Club, were pleasantly surprised when their last years reporter Miss Adele Bura captured CFCW's nose for news award for her year's work. A CFCW representative will present Adele and the club with the award (a tape recorder) at its next meeting.

PARKCOURT NEWS

Mr. and Mrs. Bob Rauser have left for their home in Campbell River, B. C. after visiting with her parents, Mr. and Mrs. Farrell for a number of days.

Don Fausak, John Fausak and Mark Thompson motored to Winnigpeg this week where they visited Don's brother Ray. Ray returned with them for the weekend.

We hear Joe Wyskinski has bought a cat and is now ready to do some winter work.

Phyllip Novitski is busy trying to get his new barn built before winter sets in.

The annual pot luck dinner sponsored by the Gay Gatherers was held in the hall on Sunday. The preparation of the dinner was made easier by the addition of a large new table to the hall kitchen. Our thanks go to the lovely crowd of people who turned out from Evansburg and Park Court to enjoy Sunday dinner out.

Mrs. Hazel Fausak spent a day in Edmonton on Monday.

Mrs. Dan Rosadiuk returned from a holiday in Edmonton.

THE ENERGY SAVER . . . A DISHWASHER

WHY DO I NEED A DISHWASHER?
Probably the most encouraging feature of an automatic dishwasher is that it saves precious time. Besides doing the work for you, dishes are cleaner than you can possibly achieve by hand. A combination of extra hot water and powerful detergent gives these hygenic results.

SHOULD I CHOOSE A PORTABLE, BUILT-IN OR CONVERTIBLE?
That depends on your living situation. If you're in an apartment or rented dwelling a portable is ideal. Choose a built-in as a permanent installation. However, if a move is anticipated in the near future, choose a convertible, which is a portable now and can be a built-in later.

HOW HOT MUST THE WATER BE?
For maximum efficiency, the water temperature for automatic dishwashing should be 140 degrees to 160 degrees F. It can be checked with a meat or candy thermometer at the kitchen sink.

HOW MUCH HOT WATER DOES A DISHWASHER USE?
The machine does not "fill up". It efficiently uses approximately two gallons for each wash and rinse. Therefore, one load will require between 6 and 15 gallons, depending on the type of cycle used.

MUST I PRE-RINSE?
It is definitely not necessary to pre-rinse dishes before putting them in the dishwasher. Simply scrape off food particles as you would for regular dishwashing.

WHAT ABOUT USING A DISHWASHER FOR GOOD CHINA?
Fine china is probably much safer from breakage in the dishwasher than it is when washed by hand. Most china is glazed which protects the finish and makes it safe for dishwasher use. However, it is a good idea to check this with the china manufacturer. Hand-painted china is usually not dishwasher proof.

MUST I USE A SPECIAL DETERGENT?
It is very important that detergent specifically designated for automatic dishwashers is used. It is formulated for this purpose only. The brand and amount will depend upon individual water conditions. Hard water requires more detergent than soft water.

WHAT DOES A RINSE AGENT DO?
A rinse agent helps to eliminate spotting and filming by sheeting the water off completely. It is particularly useful in hard water areas. An automatic rinse agent dispenser is an available feature on many dishwashers.

Sports Magazine Irate on Parkland Shooting Proposal

The Alberta Fish and Game magazine "Defending All Outdoors" devoted most of two pages in its December issue to an attack on the County of Parkland's proposed firearms bylaw.

The story, compiled by P. L. Morck, Secretary-Manager of the Association, includes his correspondence with the county office and draws on comments in the Edmonton Journal and the Drayton Valley Western Review.

The actual account, as it appears in the magazine, is quoted in part, as follows:

"Numerous Fish and Game Associations have sent protests to the County of Parkland Council but in the interest of ALL Albertans, every Association should make their objections known, by writing directly to the County of Parkland, with copies to the Alberta Fish and Game Association headquarters, and pssibly to the Minister of Lands and Forests. (Much of the land in question is Crown land, and should such legislation be passed it would contravene Provincial legislation which gives any licensed person permission to discharge firearms in such areas, as the property belongs to the public.)

"Alberta Fish and Game Association vice President at Large Bob Scammell said in an article in the Red Deer Advocate quote:

" I have my own opinion of the legality of such a bylaw, if passed but my general opinion is that it is cheap, shoddy and selfish thinking that is behind the whole idea. Any move by tin-pot politicians of whatever level to take what rightly belongs to all the citizens of this province by abusing an ill-conceived law is no less theft than the kind of individual illegal act that so enraged Mr. Gordon Taylor, former Minister of Highways during road allowance closures in the MD. of Rocky View in 1970.

"What, for example, would a fair-minded man think of a city bylaw preventing the passage of all out-of-city vehicles on city streets, unless the owner or driver thereof could prove he had spent $50 in the city on that trip? The frightening thing is that such a bylaw is even more possible than the anti-shooting by-law under sections 169 and 175, as section 169 provides that title to the streets in a city is vested in the city.

"Such is the case with road allowances outside the city, where title is vested in the Crown in the right of Alberta. Whose permission, then, do I need to shoot on a road allowance? Surely not that of the adjoining landowner; more likely that of Her Majesty, which I obtain in writing when I obtain my hunting license.

"If we are to enjoy any degree of civil liberty, this dictatorial attitude of the County of Parkland must be suppressed, and much of the responsibility will fall upon you and your Association. Now is the time to "PASS THE AMMUNITION" and shoot down this attempted infringement on our rights and privileges.

"Your ammunition is letters, petitions, and delegate representations. But most of all, IMMEDIATE ACTION is your biggest weapon."

LIBRARY NEWS

BORROWERS PLEASE NOTE: The library will be closed on Christmas Eve and New Years Eve. On both December 24th and December 31st afternoon hours will be from 1:00 to 5:00 p.m.

From time to time we have requests for books dealing with pollution. Two books on hand should prove to be useful. They are "Pollution Probe" by Donald Chant and "Pollution" by Frank Morgan. These books are shelved in the adult non-fiction section.

Alistair MacLeann's "Puppet on a Chain" opens with Paul Sherman of Interpol's Narcotics Bureau remarking "In our business there is no such thing as a person who never makes mistakes" Thrilling and chilling.

Gwen Bristow's "Calico Palace" has been popular in our library. To meet the demand for more Bristow we have "Jubilee Trail" and Deep Summer". The former is a story of the traders in California. The latter the first of three books depicting life in a Louisiana plantation before, during, and after the American Civil War. It seems that people either like or dislike Muriel Spark's books. No one seems indifferent to them. Her latest "Not to Disturb" has arrived. We shall be interested in hearing what you have to say about it.

Desmond Morris's latest book "Intimate Behaviour" deals with the subject under the following chapter headings "The roots of Intimacy" "Invitations to Sexual Itimacy", "Sexual Intimacy", "Social Intimacy", "Specialized Intimacy" "Substitutes for Intimacy", "Object Intimacy", "Self Intimacy" and "Return to Intimacy".

INSPECTED SLAUGHTER - Week ending Nov. 27, 1971

BEEF - Canada 57,309 Alberta - 20,603 - 35.9%
HOGS - Canada 198,296 Alberta - 40,132 - 20.2%

SUMMARY

Receipts continue to decline. Sales of cattle and calves were approximately 80% replacement classes. Top quality slaughter steers and heifers scarce selling at firm prices to 25 higher. Butcher cows 50 to 75 higher for the week. Bulls 50 higher. Veal and butcher calves 1.00 to 2.00 higher. Lambs 1.00 lower.

SLAUGHTER CATTLE AND CALVES

There was a strong demand for the supply of slaughter steers and heifers which sold under more lenient sorting to 25 higher. There were sales to 33.90 for choice butcher steers and to 31.80 for choice butcher heifers. Butcher cows opened strong at higher prices and sold generally steady throughout the week with a few good conditioned kinds topping 23.00. Bulls were also 50 higher with very few good export types on offer. Veal calves were about 2.00 higher from having to compete with the strong stock calf market. Butcher calves were likewise 2.00 higher.

REPLACEMENT CATTLE AND CALVES

A shortage of all classes of replacements to fill orders again resulted in higher prices for heavier calves and yearlings which sold 1.00 higher for the week. One load of 625# feeder steers sold for $39.00 per cwt. Stock calf prices continued fully steady with sales to 55.00 for steer calves under 300# and to 45.00 for heifer calves under 300#.

SHIPMENTS

Last week's shipment off the Edmonton Public Stockyards were: East - 310 feeders. West - 30 slaughter. Export - 29 bulls for slaughter. Feeders to other than local areas were 2,100 to central and southern Alberta.

MARSH HAWK

A slender, long-tailed, long-winged hawk commonly found in open country and the vicinity of marshes. Adult male is grey above, white below with black wing-tips. Female and immatures reddish brown, darker on back and wings. The white rump patch, present in all plumages, is a good field mark. Hunts in low level flight, coursing back and forth over favored territory. Prey consists of small rodents, reptiles and birds. Nests on the ground in a clump of low shrubs, willows or reeds at edge of a marsh. Four to six eggs are laid.

Education Notes

FROM THE
SUPERINTENDENT'S DESK

NEW SCHOOL
COMMITTEE APPOINTED

We take pleasure in using this week's column to welcome and to introduce new School Committee members, and also to extend congratulations to the returned incumbent trustees. The School Committee is made up of the seven elected councillors and four town representatives.

Mrs. Amelia Clark - is the new School Committee representative from Entwistle. Mrs. Clark was born in Edmonton and raised in the Genesee District. She received her education at the Genesee and the Thorsby Schools. Mrs. Clark is married to Mr. Myles Clark and they have three children, Sandra (14), Julie (8), and Lee (6). Having lived at Entwistle for the past ten years, she has recently purchased the "Sewing Basket" business in that town. Mrs. Clark plans to convert the present business into a new Variety Shop for the community. For leisure activity, she enjoys skidooing and other similar family outings.

Mr. Kees Krabbe -- is also newly elected and represents the town of Drayton Valley on the School Committee. Born in Culemborg, Holland, he received his primary education in the community and continued with his higher education at Utrecht, Holland. After attending the University of Delst, Mr. Krabbe graduated in civil engineering. He is presently employed as the District Engineer for Canada-Cities Service Ltd. in Drayton Valley. Mr. Krabbe is active in church work and is serving as an elder for the Christian Reformed Church at Peers. In his leisure time he enjoys skiing, skating, swimming, and other outdoor activities such as camping and travelling.

Mr. Morris R. McCullagh -- newly elected councillor in Division Six will also be serving on the School Committee. Although he was born in Springwater, Saskatchewan, Mr. McCullagh (at a very early age) moved with his family to Calgary. Here Mr. McCullagh received his public school education and obtained his senior matriculation after attending the Crescent Heights High School. After starting at the National Trade School in Los Angeles, Mr. McCullagh joined the R.C.A.F and during the five and a half year period was a navigator, pilot, and bomber commander. After the war, he owned a private construction firm, then became Superintendent of Square M Construction. He is now the Field Superintendent of Panky's Enterprises, an oil field maintenance firm in Drayton Valley. Active in community work, Mr. McCullagh has been C.O. for the Air Cadet Squadron and President of the Canadian Legion for two years. His main leisure-time activity is flying for recreation.

Mr. Jake W. Fuhr -- is the newly elected councillor from Division Four and also sits on the School Committee. Local participation in government is not new to the Fuhr family as his dad, Mr. John P. Fuhr, was an elected councillor for the Local Improvement District in 1908. Mr. Jake Fuhr was born in Edmonton and raised at Beach Corner. He received his education at Blueberry School. Mr. Fuhr farmed at Carvel up to 1949 and then purchased the Smithfield General Store, a business he has managed for the past 22 years. Although Mr. Fuhr has pitched a lot of baseball in former years, he now restricts this interest to watching the World Series. He really enjoys dancing during the limited leisure time available to him.

We congratulat Mr. Aileen Kritzinger who was re-elected by acclamation to represent the town of Stony Plain, and Mrs. Betty Howery, elected incumbent representative from Spruce Grove on the School Committee. It is noteworthy that these two representatives share the distinction of having husbands who are mayors of their respective communities.

Congratulations are also in order for Mr. George Mann, chairman of the School Committee, Mr. Leslie Miller, Mr. Robert Bailey, Mr. Peter Bakker, and Mr. Ivan Vowk (by acclamation) who were all returned as county councillors and will continue to serve on the School Committee in the County of Parkland No. 31.

WABAMUN NEWS

Mr. Lorne Anderson is home after spending some time in the hospital in Edmonton under observation and taking tests. We hope you will soon be feeling much better Lorne.

The library Bell Fund tea was a success. It was a nice day so quite a few attended. Mr. Redmond answered all questions concerning the library which interested the members and visitors.

Congratulations go to our new councillor, Mr. Jacob Fuhr.

Mr. Lorne Letendre won the players jackpot of $125.00 and Mrs. Zur won the mini jackpot of $15.00 at Seba Beach Monday evening. Well done.

There was a miscellaneous shower held in the Smithfield Hall last Monday evening in honor of Miss Linda Pasko. There were about 60 guests present. Linda fittingly thanked one and all for their lovely gifts.

Congratulations go out to Mr. and Mrs. Wayne Harvey who are the proud parents of a lovely baby girl.

There was a house warming party held last Saturday evening for Mr. and Mrs. Don Stadnick who have moved into their new house. There were about 60 neighbors and friends called on them and report a wonderful time.

The Lions Club held a very successful celebrity dinner on November 26th in the Jubilee Hall. Guest speakers were Mr. J. McGregor, Mr. W. Yurko and Mr. Bruce Hogel. Everyone thoroughly enjoyed these talks very much, and went right along with them on reminicing over so many of their experiences and all enjoyed their jokes which they told while on their way hither and yon.

Mr. and Mrs. Spalding of Spruce Grove entertained with their guitar and their singing of many lovely songs. This was an evening to remember for a long time, as we do not have too many things for the entire family.

There will be a Yule-do in the Jubilee Hall on December 10th. Everyone is welcome.

Tickets may be got from Mr. Dale Wiggins, Mrs. G. Sarich, Mrs. A. Gaskell and Miss Mary Riou. Price is $6.00 per couple

WILDWOOD NEWS

Students Union Pie Eating Contest on Friday, November 26, saw some twenty students eating pies with Peter Piche eating the most.

Mr. and Mrs. Pete Jorgenson had an enjoyable week at Bonnyville with their son Orville and family and also visiting friends.

Mr. Nick Pawlew celebrated his 71st birthday Sunday, November 28th with his sons Peter of Evansburg; Harry of Wetaskiwin; daughter, Mrs. Ann Capostinsky of Wildwood; and many friends visiting him.

Mr. Harry Wheele is in Royal Alexander Hospital recovering from double pnuemonia. We hope you have a quick recovery Harry.

Mr. and Mrs. Bob Brown were Edmonton visitors last Tuesday.

Mr. and Mrs. Walter Weigle with sons John and Jimmie left Nisku airport at 4:00 p.m., December 1st for a five week European tour. They will be having Christmas with Walter's parents and brothers in East Germany.

Glad to see Mrs. Angus home from her stay in the Camsell hospital. Also home from Royal Alex. Hospital is Mrs. Patsy Hurtig and baby son.

Little Cindy Cundict was home over the weekend.

The annual Christmas Concert is on December 19th in the Wildwood Hall.

The Hall Board will have a turkey bingo December 13th in the Wildwood Hall.

Steve Myschuk is wished a speedy recovery from an ear operation.

Community Christmas Card Planned

Send a greeting to all your friends in Drayton Valley by having your name appear on the Community Christmas Card. It will be displayed in the window of McKenzies Men's Wear.

Just sign your name in the scribblers provided in Mar-Nels, Valley Drug and McKenzies Men's Wear and deposit, in the box, the amount you would ordinarily spend on Christmas cards.

This money will then be donated to the Purple Pansy Fund to help furnish the recreation room of the Senior Citizens Home.

The Community Christmas card is sponsored by the Drayton Valley United Church.

PUBLIC NOTICE

BY-LAW NO. 46-71

By the Council of the County of Parkland No. 31 of the Province of Alberta.

WHEREAS it is deemed expedient by the Council of the County of Parkland No. 31, of the Province of Alberta, that the sum of Seven Thousand Dollars ($7,000.00) should be borrowed on the security of the said County by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than Nine Per Cent (9%) per annum for the following purposes, namely:

Providing renovations to the existing old Elementary School in the Spruce Grove School District No. 450 as follows:-

1. Convert an existing classroom to an Administration centre to consist of a Principal's office, Vice-Principal's office, Counselling room, Secretary and general administration area.

2. Convert existing Principal's office and storage to staff work room.

3. Provide girls' washroom facilities in the area now occupied by the alcove between the existing girls' washroom and the existing Principal's office.

4. Provide an exterior exit from the existing entry to the side of the gymnasium.

At an estimated cost of $11,000.00.

THEREFORE, notice is hereby given by the Council of the said County that unless a poll of the electors of the said County for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Council will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BY-LAW IN A COUNTY

(Sections 2(e), 3 and 104 - The School Act, 1970)

"Elector" for the purposes of petitioning for a vote on a debenture by-law means a person:

i) 18 years of age or older
ii) who is a Canadian citizen or British subject, and
iii) resident in a County for at least the 12 months immediately preceding the day on which the petition is presented;

A poll respecting the aforenoted borrowing may be demanded in a County by preparing and submitting to the School Committee a petition for a vote in accordance with the provisions of Sections 2(e), 3 and 104 of The School Act, 1970.

The petition must be signed by at least
(a) 2 per cent of the electors in a County having 10,000 electors or more, or
(b) 5 per cent of the electors in a County having less than 10,000 but 5,000 electors or more, or
(c) 10 per cent of the electors in a County having less than 5,000 electors but 500 electors or more, or
(d) 15 per cent of the electors in a County having less than 500 electors, and be filed with the School Committee within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

IN MEMORIAM

In loving memory of my father Mr. William A. Valiquette, who passed away December 12. 1961.
Ever remembered and sadly missed.
Mrs. D. R. Crocker
nee Patricia Valiquette

The average disposable income in Canada almost tripled between 1949 and 1969, from $884 per person to $2398. Food prices increased by slightly more than half in the same period. In 1969, it cost about $31 to feed a family of four for a week; it cost about $20 in 1949.
